

Golden State
Water Company
A Subsidiary of American States Water Company

PROUDLY SERVING THE SOUTH BAY

Golden State Water Company has provided reliable water service and exceptional customer care to the South Bay region for more than 90 years.

We thank the region for your conservation efforts and encourage you to continue making responsible water use a way of life.

Visit **gswater.com** or follow us on social media **@goldenstateH2O** for water-saving tips and additional information.
